? against name and/or age is due to undecipherable writing!!

A few blanks against some times, possibly not all reached the end of the funnel and consequently were not recorded.

Comments, etc to either :  
 Brian Hastings (Entry Secretary)  
 or John Driscoll (Results)

Congratulations to Bashir Hussain for another win in the men's event and to Helen Lawrence for repeating her victory of last year in the Ladies event. Ian & Peter Grime had pre-entered for the first time, but both were unable to run through injury, so the large trophy did not return to Oldham for the fourth consecutive year.

West Cheshire AC acknowledges the support of Athletes Feet for the event.

**West Cheshire AC thank the Lord Mayor of Chester for his attendance to start the race and present the awards.**

We also thank Chester City Council and Chester Race Company  
St Johns Ambulance  
and all of our Officials, marshals and helpers for contributing to the success of the event.

Yet another variation on the course was used for the race, thanks to the Chester Race Company allowing us to exit across the race course. This enabled us to revise our entry limit which was dictated by the expected need to use the raised pavement on the far side of the race course, on the way out as well as on the return. We had expected an increase in entries largely due to the cancellation of the Speke 10K a couple of months before and with an increasing number of enquires from the other side of the Mersey.

Apologies to those who had been sent information - changes to venues for changing etc were altered less than a week before the event but it enabled us to provide toilets for all. The set up was a bit divisive and obviously we will be aware next year. The Race Company would not let us use the car park just inside the gate as last year because construction of a hotel was starting on Nov 4th!!

**Entries on the Day** - we had hoped that with an entry limit advertised we would have had fewer on the day. How wrong can you be!

Senior Male	69 pre-entered, 102 on the day	14 pre-entries, 3 on the day did not start/finish
Veteran Male	82 pre-entered, 110 on the day	11 pre-entries, 1 on the day <i>ditto</i>
Ladies	63 pre-entered, 59 on the day	16 pre-entries, 1 on the day <i>ditto</i>

Thanks to a magnificent team of Sheila, Jenny, Dan and Anne they managed to get all numbers issued about 5 minutes before the start. **Seriously, please consider entering in advance** - if we reach a stated entry limit, we will NOT accept additional entries. The insurance cover provided for the race (through UK Athletics) requires us to do a Risk assessment which in our case included an entry limit. That we went over that limit was agreed by the race committee in view of the improvement to the first 1.5 miles of the course.

My personal thanks to Anne and Sheila for helping sort out the results for the presentations.
