* = Late entry, not included on the programme.

Regrettably we do not have the names and clubs of runners 107,426 and 299 in the Senior/Veterans race.
The problem arose because at least two collected and wore the numbers allocated to other runners on the programme. If anyone can shed light on the identities of any of these athletes please contact;

Mike Hancock,

We were delighted with the large turnout this year (238 finished the Senior/Vets course, compared with 221 in 1979)• The standard of competition was maintained, with this years winning Senior time, being a more 4 seconds off last years mark, while J. Pearson ran 39 seconds faster than her 1979 winning time. Top of the ground conditions were good for the time of year on the racecourse section, but a stiff wind made the circuits there fairly testing.
Our thanks are due to the race secretary Steve Cutler and all the other CEPAC members who worked hard before/on the day to make the event enjoyable for competitors and spectators alike, especially to Tony Espley and his band of helpers and to Joe Shellhorn and his officials.

We would also wish to thank our sponsors once again for their support: Browns the Jewellers (Chester), "Anchor Motors", Sports Injury Research and Van Leer (UK) Ltd, Ellesmere Port.
May we also acknowledge the support of the- Chester Race Company, Chester City Council and the Mayor of Chester, the Police Authority and the "St. John Ambulance Brigade".
Please come again in 1981 and bring a few extra competitors and spectators with you.

Best Wishes for 1981,

Mike Hancock.
(General Secretary, CEPAC)
