ooooOoooooo

In 1983 the ladies event had been lengthened to the same distance as that for the men and to the later displeasure of the Womens Athletic authorities; they set off with the men. The minimum distance at that time for a combined race was 5 miles!

A separate start was arranged from 1984 onward, five minutes after the men.

The "BRITISH ATHLETICS SUPPORTERS CLUB" Ladies race – 3.4 miles I = intermediate lady (15 to 17 years); V = lady (over 35))
