

## 9<sup>th</sup> CHESTER 'SPRING 5' ROAD RACE

WEST CHESHIRE AC regrets to announce that the 9<sup>th</sup> CHESTER SPRING 5 road race, due to be held on TUESDAY 3<sup>rd</sup> April has been cancelled.

This is a precaution against the spread of Foot & Mouth Disease.

The course of the race is almost entirely on country lanes and encircles a number of livestock farms whose farmyard entrances are on the race route.

We trust you will understand that, in view of the increasing spread of the disease, our race represented an unnecessary risk to our local farming community and had to be cancelled.

Your race entry fee cheque is enclosed.

Thank you for your entry, we hope to see you at our races later in the year.
